

myBlueprint's *new* **online parent/guardian course selection approval** allows parent/guardian sign-off to be emailed and approved without requiring a paper form.

How students send email approval requests to a parent/guardian

1. In myBlueprint, once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

The screenshot shows a web interface with a modal window titled "Parent/Guardian Approval". The background is a grey panel with the heading "Submission Details". Below the heading, there is a blue button labeled "Send Approval Email". The modal window has a white background and a blue border. It contains the following text:

Parent/Guardian Approval

Please add a parent or guardian email below for us to share your course selection.
Your parent/guardian will be asked to approve your course selections.

Send Approval Email

In the background, a "Success" message is visible, stating "Your course selections have been submitted successfully." and a "Note: Speak to your Counselor for more information." There is also a "Back to High School" button.

2. After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including:
- The student's course requests
 - Alternate course requests, if any
 - Issues with course submission, if any (e.g. missing prerequisite, etc.)
 - Student comments, if any
 - Course guidance messages, if any

THIS IS AN AUTOMATED MESSAGE. PLEASE DO NOT REPLY!
