

# **Life is the sum of all your CHOICES**

NTCI Course Selection Workshop  
February 2024

**Course Selection and Parent Permission due  
Wednesday February 28th @ 4:00pm**

Welcome

You should have a copy of the 10-12 course selection sheet (yellow handout) and a pen/pencil to take notes

## Choose Wisely!

- Course offerings based on your choices NOW
- Aside from computer error, no changes in course selection until August/September (when wait times are long and many courses full \*\*do you remember the long lines??\*\*)
- Your choices now will affect your college/ university applications – work backwards from program prerequisites

We plan the school around you and your choices that you make now!

## Prerequisites

- **You must HAVE or be CURRENTLY TAKING the prerequisite for any course you choose on myBlueprint**
- If you plan to have the prerequisite completed by June 30th 2023, you may select that course
- If you plan to take a prerequisite in the summer, you can only request the course in course change days in Aug/Sept

## Keep in mind...

- Private school credits are marked as such on your transcript
- Students who become part-time are not eligible for extra-curriculars at NT or for Commencement awards
- Students who take compulsory credits outside of NT are not eligible for Commencement awards
- NT teachers work collaboratively so that you are ready for the next year's course requirements

## Gr. 12 Course Load

- Minimum of 6 (if you have 24 or more credits)
- We recommend taking a minimum of 7 so you have a cushion
- myBlueprint will allow 6 courses so check that you have enough credits to graduate!

Full Disclosure terminology:

WITHDRAWAL – Dropped course after second to last report card

REPEAT course(s) – both mark attempts are shown, but only one credit issued for highest mark

\*counsellors to remove slide if needed

## Gr. 11 Course Load

- Minimum of 7 (if you have 16 or more credits)
- We recommend taking 8 so you have a cushion
- myBlueprint will allow 7 courses so check that you have enough credits for a spare!
- Full Disclosure: all Gr. 11 & 12 final course marks, withdrawals, & repeats are recorded on transcripts

Full Disclosure terminology:

WITHDRAWAL – Dropped course after second to last report card

REPEAT course(s) – both mark attempts are shown, but only one credit issued for highest mark

\*counsellors to remove slide if needed

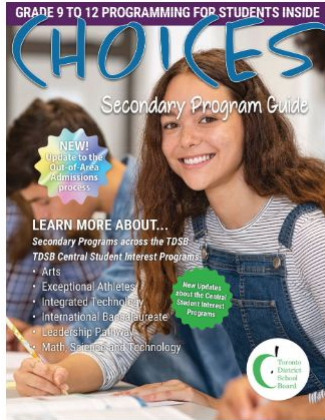

## Gr. 10 Course Load

- Students in Grade 10 must take 8 credits (minimum 16 credits before you can take a spare)
- Only “reach ahead” summer courses in TDSB for Grade 9-10 students is Civics and Careers  
\*not always a great idea...

Not always a great idea because -> you MUST choose another course to replace in Sept - and the course you want might not be available. You will need to choose something and you could get forced into choosing something you don't want

\*counsellors to remove slide if needed

# Do Your Research

- [myBlueprint.ca/tdsb](https://myBlueprint.ca/tdsb) for planning and also for course selection
- TDSB **Choices** Planning Guide (link on Google Classroom)

## Further Research

- [ontariouniversitiesinfo.ca](http://ontariouniversitiesinfo.ca) and [ontariocolleges.ca](http://ontariocolleges.ca) (both introduced in Career Studies) list prerequisites for university & college programmes – work backwards to ensure you have prerequisites!
- [ontransfer.ca](http://ontransfer.ca) shows diploma-to-degree options
- Speak with teachers & guidance counsellors
- Career information available in Guidance
- Interest surveys (MyBlueprint for Gr 9 & 10; JVIS for Gr 11 & 12 students)

# Course Carousel

- Thursday Feb 15th @ 11:15am
- A chance to walk around and ask questions in each department you are interested in!
- Before Thursday - make a list of questions you want to ask the teachers

\*\*Explain what the Course Carousel is

# Understand Your Options

## Alternative Learning Opportunities

- Night School (limited offerings, can't take a course offered at NT, 3 hours x 2 nights/week)
- Summer School (some offerings, not same learning experience as day school)
- ELearning (day school, summer)
- Dual Credits
- RCM Music credits

Continuing Education = Night School and Summer School

RCM – Intermediate theory + Grade 7 practical = AMX3M, Advanced theory + Grade 8 practical = AMX4M

## Understand Your Options

### Alternative Learning Opportunities

- Cooperative Education (offered at NT:  
2 co-op credits can count as 2 compulsory credits)
- OYAP (offered at NT via co-op or as a specialized program at other schools)
- SWAC (students between the ages of 17-20 the opportunity to earn secondary school credits and two college-delivered Dual Credits on a college campus)

# Understand the Requirements

Note: Students do not submit printouts of their course selection sheets; course selection and parent approval are submitted electronically only.

## STEP 6: Enter **Parent/Guardian Email** **\*\*Type Carefully\*\***

The screenshot shows a web interface for course selection. At the top, it says "Submission Details". Below that, there is a progress indicator for "Step 1: Add Courses" and a "Send Approval Email" button. A "Success" message states: "Your course selections have been submitted. Note: Speak to your Counselor for more information." A "Back to High School" button is also visible. A modal window titled "Parent/Guardian Approval" is open in the foreground. It contains the following text: "Please add a parent or guardian email below for us to share your course selection. Your parent/guardian will be asked to approve your course selections." Below this text is a text input field labeled "Parent/Guardian Email" and a blue "Send Approval Email" button at the bottom.

If you mistype your parent email, it will not send!

## STEP 6: Parent/Guardian can **Approve or Reject**

THIS IS AN AUTOMATED MESSAGE. PLEASE DO NOT REPLY!
